

Lived Experience Workforce Framework

Together, let's make peer/lived experience work effective for everyone

A draft framework is now ready for your valued feedback!

The aim of the framework is to provide guidelines and strategies for the effective employment of lived experience roles, ensuring the peer/lived experience workforce is most beneficial for everyone.

Your input is valuable, regardless of what type of role you're employed in and level of experience with lived experience roles.

Queensland
Mental Health
Commission

RMIT
UNIVERSITY

You are warmly invited to participate in focus groups to continue to shape the framework

Focus Groups will be held during August at:
