Queensland Multicultural Policy ‘Our story, our future’

Annual Reporting for 2021–22
QUEENSLAND MENTAL HEALTH COMMISSION
Background

- ‘Our story, our future’ is the Queensland Government’s Multicultural Policy (the Policy) promoting an inclusive, harmonious and united community for Queensland.
- The Policy focuses Queensland Government action on three policy priorities for culturally diverse communities and Queensland as a whole – (1) achieving culturally responsive government, (2) supporting inclusive, harmonious and united communities and (3) improving economic opportunities.
- The Policy and Action Plan are a requirement of the Multicultural Recognition Act 2016 (the Act).
- Section 24 of the Act requires entities with actions in the Action Plan to report publicly on an annual basis. The report below fulfils this requirement for 2021–22 for the Queensland Mental Health Commission.

Notes

- Actions marked with the symbol are broad actions with related agency sub-actions that can be viewed on the DCYJMA website here. All sub-actions, where relevant, for the Queensland Mental Health Commission have been listed in this template for ease of reporting.
- For the purposes of this report, all references to diversity within the Action Plan relate specifically to people from culturally and linguistically diverse backgrounds.
