"Postnatal Depression threatened my happiness and wellbeing as a first time mum. Raising awareness of postnatal depression and funds to support the work of PANDA and Peach Tree Perinatal Wellness is so important to help Queensland mums and dads gain the support and information they need to prevent perinatal depression overwhelming their families."

Join us at the GABBA with your colleagues, friends and family for the Growing Hope Luncheon, March 7 2014. We need your help."

Kylie Brown, PANDA Ambassador

PANDA

Post and Antenatal
Depression Association Inc.

Peach Tree
PERINATAL WELLNESS

Funds raised enable Peach Tree and PANDA to provide support to families experiencing perinatal depression and anxiety.
