QUESTIONS & COMMENTS

All audience questions and comments during the webinar will be captured via the menti.com website, a digital platform that enables audience participation. Participants will be able to ask questions or make comments throughout the webinar, however these will only be aired at specific points in the agenda, and in the final Panel Q&A session. This will help to keep the agenda on track.

All audience questions and comments will be moderated (i.e. reviewed before publishing).

To use menti.com, click on the menti.com link and enter the access code (provided at the start of the webinar).
